RE: Stay Home and Be Counted Campaign: voteanywhere.org
January 29th Presidential Primary

Dear Henry,

On behalf of the League of Women Voters and the citizens of Central Florida we want to thank you, Kym and Derek and your team for ALL your remarkable efforts to partner with the League of Women Voters in promoting the absentee ballot on TV Local 6.

The popularity of the absentee ballot resonated throughout the State, hitting new record levels, as I am sure you have been reading. The most recent count showed an almost 260% increase over 2004 primary season.

Henry, we hope you are as pleased as we are, and ready to build on and continue with this campaign in the months of August and November of this critically important election year.

With deep appreciation,
