The League of Women Voters Orange County (LWVOC) challenges Central Floridians to set a new record for voter turnout during this year's November 4th General Election.

The November 4th General Election ballot promises to be lengthy, with 6 constitutional amendments and a busy slate of national, state and local candidates. The ballot could be two to three pages long.

The League is encouraging voters to vote the easy way: Order a mail-in/absentee ballot: it's easy. All it takes is one phone call. Go to the League's website: www.voteanywhere.org. Anyone can order the mail-in/absentee ballot.

You will receive your ballot in the mail; you will have plenty of time to study the issues, talk it over with friends and colleagues, make your choices, VOTE, then mail it in before the deadline: 7 pm., November 4th.
